Dear Parents and Carers

We hope that all our students and families are back into routine after the school holidays. With daylight saving underway, it’s important for our students to have a good night’s sleep, to be prepared for each school day.

As the weather is now becoming warmer, we would like to remind parents that when preparing your child’s lunch for the day to possibly add and ice pack to your child’s lunch box or to prepare a food item that is less likely to deteriorate due to the heat of the day.

This week Miss Kylie Harris will be teaching 1H (Year 1) until the return of Miss Renee Harris. For all your office enquires this week, Mr Noble will be in the office, as Mrs Cini is currently on holiday in the sun.

Next weekend 17th and 18th October the Le Laque Nail and Beauty Boutique in Building 5, Brodie Sparks Drive, Wolli Creek, is holding its grand opening with fairy floss and candy cart. Please call in to show our support one of the many local businesses that is establishing an ongoing relationship with our school.

Week 3  eBay on the Bay

Week 4  Science At The Beach
         Halloween Mufti Day and Disco

Week 6  Bush walk to compare the coastline with the inland environment

Week 7  Year 2 intensive swimming classes at Botany Pool
Week 8  Swimming continues for Year Two students.
Week 11 Year 2 Graduation and End of Year Celebration
         Kyeemagh’s Got Talent
         School Fun Day
         15th December is the last day of school for students.

Lorrie Grant
Principal
Many exciting things are being planned for this term!

Save the date – eBay on the Bay is coming!

Saturday 24th October is the big day.

Parents, we will need all hands on deck in preparation and on the day.

Please start putting aside suitable items to donate for our “Garage Sale” component of the day – clothing, books, toys, bric-a-brac, house hold items.

One man’s trash is another man’s treasure.

Special school lunches will begin again soon.

This term will be busy and fun.
Each Friday students have access to different types of technology activities. This week was to create mini Mine craft blocks. The blocks were designed by students using PC software where a 2D image of a 6 sided cube was created by using the geometry knowledge of the students. The 2d images were then printed, cut out from cardboard, folded and sticky taped together to produce a 3D model of their Mind craft cubes. The whole activity used a range of skills from imagination, computer skills to maths and fine motor-skills to create their blocks.

Friday Teach Head quote of the day:

“May the Force be with you”
1. I keep my hands and feet to myself.

I remember this rule when I never, ever;
- Kick
- Push or pull
- Punch
- Bite
- Wrestle
- Pinch
- Pull hair

2. I show respect to teachers and others.

I remember this rule when I;
- Speak politely to a teacher
- Do not interrupt a teacher
- Listen to the teacher
- Do not give a cross look when being spoken to
- Help my friends learn instead of stopping their learning

3. I stay safe in the playground.

I remember this rule when I;
- Walk carefully to the right place
- Obey the bell
- Wear a hat
- Play sensibly with sport equipment
- Play in the correct areas
- Stay in the school grounds
- Keep stones, sticks, sand and bark on the ground
- Keep off the fences
- Do not climb trees

4. I am kind to others.

I remember this rule when I;
- Call people by their name
- Keep my hands off others' belongings
- Never tease other children
- Include lonely children in games
- Do not make fun of others
- Do not pull faces or poke out my tongue
