Dear Parents and Carers

Your hard work at the P&C’s Garage Sale Trail was again awesome. With such a small but dedicated team, you pulled the rabbit out of the magician’s hat again. What fun everyone had! If your child took some tadpoles home, please ensure they are cared for and returned to their own pond here at school as frogs.

The auditions for Kyeemagh’s Got Talent are progressing well with lots of enthusiastic entrants. Please continue to encourage your children. With her parents’ encouragement from this early age, my friend’s daughter ended up as an international star and multi-millionaire! True story!!

Let’s hope the weather will be good for Wednesday morning’s Science By The Sea. Our little junior marine biologists will be experimenting and hypothesising through a series of group activities. Please come along in the morning session if you can. On the day students may wear sandals or thongs. Sports uniform to be worn so the children will be easily identifiable. Also please remember to provide a drink and light snack for Crunch and Sip on our arrival at the seaside.

Hi Parents,

Ebay by the Bay was a great fun day at our little school on Saturday!! Thanks to all of you for buying raffle tickets, day tickets, baking, donating garage sale stuff and coming along on the day!

Particular thanks to all the parents and friends who manned the stalls and kept the bouncy castle under control!! The sun shone, lots of fun was had by all that came along, and we raised over $1600 for our little school, which is wonderful.

Halloween Disco

On Friday this week we are having a Halloween Disco straight after school. All sorts of fun is being organised, and an afternoon snack will be provided for each child. Please see the attached note, and fill and return the slip as we need to know attendance numbers for catering!
