For Your Information
The NSW Government has provided funding for the placement of school zone signs with flashing lights at all schools by the end of this year to alert motorists of the 40km speed limit required during school drop off and pick up times.

Installing these flashing lights in schools zones has been shown to improve driver awareness of the need to travel at a lower speed to ensure the safety of children and others coming and going from the school area.

Roads and Maritime Services is delivering this safety initiative and plans to install signs outside Kyeemagh Public School on Jacobson Avenue the week beginning Friday, 8 May 2015 outside of 40km school zone hours. Work will take up to two hours to complete, weather permitting.

Lights are installed on pre-existing poles or new poles are put in place if needed.

Partial lane closures may be in place while work is carried out to ensure safety of road users and workers. There will be some noise associated with this work, but every effort will be made to minimise these impacts.

For more information about the flashing lights program please visit the Centre for Road Safety website at www.roadsafety.transport.nsw.gov.au/stayingsafe (go to the schools section) or you can contact our team on 1800 726 958 or flashinglights@rms.nsw.gov.au.
