For any information on the Carlton Cats & Dogs Home you can log onto their website.

The Cats and Dogs Home on Edward Street, Carlton is in crisis with the premises being sold for development. Jai is showing great initiative and citizenship to show his commitment to doing all he can to save the lives of our local homeless furry friends.

Such empathy in a young student is so rare and deserves recognition. Congratulations Jai in showing how one boy does what he can for a community cause. Imagine what we can achieve in the future with such thoughtfulness.
